Rules

I bet you didn't expect any rules. The truth is, there aren't any. These are suggestions, all because I want to see how these stories play out.

1.) Tell me what you name the character (if OC)
2.) Tell me the name of the story when finished
3.) Have fun!

1

What the afterlife is like for any cat in StarClan.

2

Ashfur and Squirrelflight get together instead of Brambleclaw and Squirrelflight.

3

Featherwhisker and Goosefeather, from Featherwhisker's point of view.

4

If Snowkit didn't die. Brackenfur as a mentor.

5

Sunstar as ThunderClan leader. His realization that he only has eight lives.

6

If Bluestar made Whitestorm deputy instead of Fireheart. Mousefur as Whitestar's deputy.

7

Blackstar as the leader of ShadowClan.

8

The Prophecies Begin, but Scourge and Firestar switch places.

9

An era in which ThunderClan and ShadowClan are actually friends.

10

What if Tallstar stayed with Jake and never came back to the clans?

11

The fact that both Ashfur and Hollyleaf are in StarClan has split the ThunderClan ancestors. War is ready to break out in StarClan.

AN: Please protray each character fairly. Ashfur has his own character motivations other than just being evil

12

A cat named Tulipbloom is expected to be a nursery queen, but doesn't, because tulips are friendship zone flowers.

13

Abandoned kittypet (by their twolegs) finds the clans.

14

The story of how some of the tunnels were built.

15

What if Speckletail, Frostfur, Shadepelt, and Loudbelly didn't die from starvation.

16

Fireheart dies because Bluestar doesn't save him from the dogs.

17

StarClan throws Ivypool into the past. She has to survive in the past ThunderClan. Why do Bluefur and Tigerpaw seem so familiar?

18

What happened when Halftail lost his tail?

19

What if Silverstream didn't die giving birth.

20

A StarClan cat looks over a specific warrior.

21

Sandgorse backstory. He used to not like tunneling.

22

A rogue becomes a kittypet. Cue angry pets on the ears, to eventual acceptance and enjoyment.

23

A bunch of rogues and loners living together, no clans.

24

A StarClan cat is reborn, but retains all of their memories.

25

Every single cat stops dying, but their wounds do not heal.

26

A bunch of rogues and loners. One receives a message from some mystery cats in his dream. Cue a lot of confusion as he comes to join the clans.

27

A cat named Beepaw who is extremely afraid of Bees/Wasps.

28

A cuddly dog interacts with the Clans.

29

A villain called Flowerheart.

30

A male apprentice is named Flowerpaw, and will do anything to get over the teasing from his apprentices.

31

Cats stuck between the real world and StarClan.

32

If StarClan equals Heaven and the Dark Forest equals Hell, then Purgatory equals..?

33

ThunderClan is evil.

34

Turtle Tail survives.

35

An abundance of predatory birds plague the clans.

36

Songs in Warriors, but not pop songs, songs are passed down through the generations to tell a story.

37

The Warriors find ancient carvings in stone from their ancestors.

38

Boulder's transition from rogue to warrior.

39

Add another rank to the Clan.

40

The life of a nursery queen.

41

Change one little aspect of clan life.

42

Multiple feet of snow blankets the territories.

43

There is too much mercury in the RiverClan fish.

44

Post Tall Shadow ShadowClan and pre Raggedstar ShadowClan.

45

A warrior can only tell the truth.

46

A cat is born without claws that can retract.

47

Ravenpaw saves the clan instead of Fireheart.

48

Graystripe and his kits stay in ThunderClan.

49

Bring a old clan cat to the lake territories.

50

ThunderClan doesn't meddle in the other clans' business.
